

NEWSLETTER

Dear Parents and Guardians,

Welcome to Primary 7 with Miss Carr!

I am delighted to be working with your children during their final year at Halfmerke Primary School. We have an exciting year of learning, opportunities and new experiences ahead, and I look forward to working closely with you to support your child throughout their Primary 7 journey.

Thank you for your continued support, and I look forward to a fantastic year ahead!

Classroom Highlights

The class has already made a fantastic start to the new school year, and it has been wonderful to see their enthusiasm, positive attitudes and willingness to learn.

As Primary 7 is such an important year, one of my main priorities is to help the children develop their confidence, independence and key skills across all areas of the curriculum, ensuring they feel well prepared for the transition to high school.

Literacy:

In Literacy, we will cover a range of weekly spelling words, reading and writing activities. Children will develop their spelling and vocabulary, build confidence and fluency in reading, and explore different types of writing, focusing on structure, vocabulary, punctuation and presentation.

Numeracy:

In Numeracy, we have started with place value, developing our understanding of the value of digits in numbers. We will then move on to fractions, decimals and percentages. Throughout these topics, children will develop their problem-solving skills, mathematical reasoning and confidence when working with numbers.

Homework

- Homework will be given out on Mondays and should be completed and returned by Thursday.
- Homework will reinforce learning from class and help children develop independence and responsibility in preparation for high school.
- The weekly homework grid and spelling strategies will be uploaded to Google Classroom.
- If your child is unsure about a task or needs support, please encourage them to speak to me in class.
- Homework can be completed in their homework jotter or on a Word document uploaded to Google Classroom.

Reminders

Our PE days are Thursday and Friday each week.

Please ensure that your child brings their PE kit and suitable indoor shoes to school on both days.

If you have any questions, concerns or anything you would like to discuss, please do not hesitate to get in touch with me through the school office. I am always happy to help and work together with you to support your child.
