PARENT COUNCIL

Parent Council Meeting

Our first meeting of 2026 is on Wednesday. Parents/carers of our pupils are welcome to join us. Why not come along and find out more about parent council and how you can become involved.

Wed 28th January

7pm
Halfmerke Primary School

Our first Parent Council of 2026 will be on 28/01/26. We are looking forward to chatting about school and fundraising events for the rest of the session.

2 SCHOOL PRIORITIES

Our Health & Wellbeing Family Event is on 04.02.26 Our HWB Pupil Leadership Groups invite you along at 1:45pm, to explore learning in HWB with your child, at school. Please let us know if you can come along on Parents Portal.

4 TRANSITIONS & P7

P1 enrolment for August 2026 is now well underway. Anyone with a wee one due to start at Halfmerke next session should now have had a phone call from Ms Hogg. We are looking forward to meeting all our new P1s in April.

P7 have enjoyed their early visits to Calderglen High. They have participated in a STEM event and have further English, PE and French Events to come.

Robinwood - P7 parents are welcome along on Wednesday 4th February to discuss arrangements for the Robinwood residential trip for P7s in March.

3 HOMEWORK HELP

Our class teachers all provide home learning for your children weekly. We would like to take this opportunity to direct you to either your child's Google Classroom or ask your child about their home learning materials. Although not a compulsory aspect of your child's education, all our learners would benefit from home learning, either in a formal way or just some extra bedtime reading together. Our teachers may get in touch with some families in the next few weeks to discuss some home learning ideas to help your child's progress.

BE RESPECTFUL

BE SAFE

BE READY

BURNS ASSEMBLY

Thank you to all our pupils who helped us celebrate Robbie Burns at our special assembly last week. What a talented bunch we have!
